

## ERIC BOWMAN

Nationally award winning painter Eric Bowman has been a full-time professional artist for over 25 years. Beginning in his native southern California as a commercial artist, Eric has created original oil paintings for such high profile clients as Coppertone, GTE, Hallmark, Kellogg's, Nabisco, Southwest Airlines and TIME-LIFE Entertainment.

His work can also be found on the covers of numerous books, music CD's and popular periodicals, including the 2009 inaugural re-launch cover of the Saturday Evening Post and two recent covers of TIME magazine. His original oil paintings reside in many private and corporate collections including the offices of Major League Baseball, the NBA and the United States Postal Service.

As a fine art painter, Eric has garnered many awards in juried competitions, showing in national & regional exhibitions in some of the country's most prestigious galleries.

Eric Bowman is an artist member of the Oil Painters of America and the Laguna Plein Air Painters Association. He lives with his wife and daughter in Tigard, Oregon
